Soil And Water Loans  
For Improving Pastures

Establishment or improvement of permanent pastures is prominent in the better farming plans of many lower East Coast farmers and ranchers who are improving their farming systems through Farmers Home Administration soil and water conservation loans, according to John S. Stewart, County Supervisor-Appraiser, whose office is located in Lake Worth, Florida.

The loan funds are being used to establish new pastures or to improve those already established. Some of the practices to develop good pastures, and for which soil and water conservation loan funds are being used, include seeding with recommended grasses and legumes, proper fertilizing, liming, brush removal, cross-fencing, pasture improvement through development of irrigation systems, land leveling, well drilling, and the purchase of pumps and other irrigation equipment. Practices for which soil and water conservation loans are made must be in line with Soil Conservation Service and Extension Service recommendations. Soil and water conservation loans may be made through the office of the Farmers Home Administration, Lake Worth, Florida.

MANAGER ARTHUR J. LARRIMORE points out his new office building just completed by Glades Appliance, owner, for the Employment Service. The building is located on S.E. Avenue D, Re-opened in '45 as a Federal Employment office, the local organization was returned to state supervision in '47, and is now operated under Federal-State cooperation. The local office, now one of the highest ranking in the state for farm labor placement, in addition to adding employee and employer in getting together, cooperates with similar offices in other states by holding pooled interviews with representatives of other agricultural areas seeking local labor for summer work. In addition the local office processes unemployment compensation claims, special services to veterans and employment counseling, especially with high school students. Manager Larrimore invites the public to visit the new offices.

Chapman Chosen To  
Gamma Sigma Delta

Herbert Chapman, Jr., (graduate student), son of Mr. and Mrs. H. L. Chapman, Sr., 3, Orlando, Fla., is included among 125 members of Gamma Sigma Delta, honor society of agriculture, at Iowa State College.

A banquet and initiation ceremonies were held April 25 for 40 undergraduates, 56 graduate students, 13 faculty members and five alumni selected for membership. Undergraduate members are selected from the top one-fourth of the senior class scholastically. Also eligible are graduate students of outstanding ability in the various fields of agriculture or closely related sciences, and alumni and faculty who have made outstanding achievement in agricultural pursuits.

Ordinance Published  
For Public Information

The text of the ordinance just passed by the Belle Glade City Commission is published here for public information:

**ORDINANCE NO. 20**

**Invitational Ball Set For Saturday Night**  
The Annual Invitational Ball given each year by Beta Sigma Phi will be held at the Municipal Country Club, Saturday night, Chairman for the event will be Mr. R. T. Belle and Mrs. Robert Abel.

The entertainment committee had planned mid-dinner entertainment which will include a play by the Beta Sigma Phi Girl of the Year, Mrs. Robert Abel.

Decorations will feature the Silver Anniversary of the founding of International Beta Sigma Phi.

At the door will be Mrs. Milton Carpenter, Mrs. Frank C. Anderson, Mrs. Earl Lindrope, Mrs. George Wedgworth, Mrs. J. E. Abbott, Mrs. J. E. Payne, Mrs. Abel, Mrs. J. E. Williams and Mrs. John Munroe.

**Stork Shower Given For Mrs. Helvenston**  
Mrs. Peggy Jean Helvenston, formerly of Jacksonville Beach, was complimented with a stork shower recently when Mrs. Charles Goodlett and Mrs. Newton Clark entertained close friends and relatives at the home of the former in Sylva Heights.

Games were enjoyed with prizes going to Mrs. Warren Bittie and Miss Frances Langford, who drew down from Jacksonville Beach for the occasion.

Many lovely gifts were presented to the honored guest. A beautifully decorated cake, minis, nuts and punch was served the guests.

Those attending were: Mrs. Bittie, Miss Langford, Mrs. J. E. Williams and Mrs. Sam Lovell.

**Yates-Hughes Wedding Solemnized Friday**  
Mrs. Clara Belle Yates and Mr. Lawrence Hughes were united in marriage at the First Methodist Church in Ft. Lauderdale, Friday, April 29.

Rev. S. Farris Bell, pastor of the church, officiated.

Attendants of the couple were Mrs. Hiram Clark and E. J. Lott, Jr., of Ft. Lauderdale.

Following a brief wedding trip the couple will be at home at 534 S.E. First Street.

**Mrs. Jones Attends Nature Study Camp**  
Mrs. Luther Jones has returned from Ft. Lauderdale, where she spent five days at the Blanche Covington Nature Study Camp of the Florida Federation of Garden Clubs, held at the Hugh Taylor Birch State Park. This camp is held annually in various state parks, for youth leaders from each of the eleven districts, where the main objective of the study course is "Appreciation and Conservation of our Florida Heritage."

Birdwalks and wildflower identification walks with competent leaders were enjoyed, also the subjects of astronomy, plant geography and societies of Florida, amphibian reptiles, fish and game, water safety, marine life, etc.

The high point of the week was the all-day trip to Everglades National Park, which was made possible by members of the Ft. Lauderdale Federation of Garden Clubs, who furnished cars and drivers for the trip.

On the return trip, the students of Nature were entertained at dinner in the Fruit and Spice Park in Homestead by members of the South Dade Garden Club.

The camp was in charge of capable Mrs. Evelyn McCarthy Starke of Jacksonville, state chairman of Nature Study Course, ably assisted by Miss Carol Beck, botanist, of the Florida State Park System.

**Garden Study Club Entertains At Al Fresco Coffee**  
The beautiful garden of Mrs. Y. Creech was the setting last Wednesday morning of a Silver Coffee sponsored by the Garden Study Club. A coffee table, was set up on the lawn, decorated with a beautiful artistic arrangement of red carnations and banana blooms in a low silver bowl.

Refreshments of coffee and

A. Congleton, Mrs. John Bask, Mrs. Juanita Croft, Mrs. Clyde Doolittle, Mrs. Pearl Hill, Mrs. Ralph Kirk, Mrs. J. D. Smith, Mrs. Margaret Smith, Mrs. Ada Stewart and Mrs. Belle Yates.

**Robinsons Entertain At Barbecue Dinner**  
Mr. and Mrs. John Robinson entertained with a barbecue dinner Saturday night at their home on Wedgworth Road.

Guests present were Mr. and Mrs. Freddy Barber of the Miramar Inn, West Palm Beach, Mr. and Mrs. Lloyd Aspery, Mr. and Mrs. Joe Cassellus and children, Perry Rigdon, Miss Norma Nell Starling and Eddie Robinson.

**Sorority Celebrates Annual Founders Day**  
Members of Florida Beta Xi Chapter celebrated the 24th annual Founders Day of Beta Sigma Phi at a banquet at the Edgewater last Thursday night.

Mrs. Grant Averill was mistress of ceremonies.

The program opened with the Beta Sigma Phi Grace led by Mrs. Roa Nash. New pledges were welcomed into the sorority by Mrs. Averill and Mrs. J. E. Jones gave an outline of the activities of the group during the past year.

Mrs. E. F. McAllister read the annual message from the founder, Walter Ross and Mrs. A. E. Kreischer presented a poem.

Following the founder's day pledge given by Mrs. O. C. McAllister, the program ended with Mrs. Averill giving toasts suitable to the occasion.

During the founder's day theme, 24 yellow roses arranged in a black bowl flanked by yellow and black lighted tapers made a decorative centerpiece.

At a business session held following the banquet, final plans were announced by Mrs. Robert Bell, for the annual invitational ball to be held May 7.

Harpold Zamp, chairman of the program committee was in charge of arrangements.

Others present were Mrs. C. L. Todd, Mrs. John Munroe, Mrs. Milton Carpenter, Mrs. Francis Cron, Jr., Mrs. Frank C. Anderson, Mrs. A. E. Hopson, Mrs. C. L. Clayton, Mrs. Louis Kirchman, Mrs. Loretta Connell, Mrs. Earl Lindrope, Mrs. Frankie Farmer, Mrs. Claude Jones, Mrs. Charles Godwin, Mrs. Robert Abel and Mrs. Sam Lovell.

**Yates-Hughes Wedding Solemnized Friday**

Refreshments of coffee and

**THE OLD LANDMARK, THE RUTLEDGE BUILDING.**  
110 S. Main Street here has been moved to its new home in the southwest part of the city. In its place a new modern hotel will be built by October 1. The new \$50,000 structure will have 36 rooms if present plans are carried out.

According to Nelson Willis, contractor, 14 of the rooms will have so-called communicating bathrooms while the remaining rooms will have private baths.

The new concrete, brick and stucco landmark was designed by Frederick Seimann of West Palm Beach. Owner of the new structure was listed as Mrs. Frances Rutledge.

The old wooden apartment building will continue to serve as a rooming house in its new location after being in a number of capacities on the old plot of ground at the corner of Main and Avenue A.

The building was built by W. H. Badger in 1924 and was first used as a grocery and post office. Badger built the building almost completely by hand.

Functioning as a post office ever since, it has been somewhat of an oddity since the Chosen post office was less than one mile away. The post office served the unincorporated community of Belle Glade with service to about 200 persons.

C. E. Rigdon, one of Belle Glade's oldest residents, while reminiscing about the building pointed out that the town of Belle Glade was chartered in 1928, therefore the old building was in existence about four years prior to that. He was uncertain about the 1924 construction date.

During the 1928 hurricane disaster, the building was pushed out of shape, according to Rigdon.

In the past the building has been used for a barber shop, laundry agency, and other divers interests.

cold drinks, with sandwiches, cakes and minis were served to the guests by Mrs. Barnes Smith, Mrs. Robert Abel, and Mrs. A. F. Hopson, incoming president of the club.

Approximately 30 guests called during the morning. Plans were made for many more, but as telephoning was curtailed for a few days many prospective guests failed to be contacted.

The garden was in full bloom with a host of flowers, including orchids on the trees, gladioli, lilies, bougainvillea, hibiscus, calla lilies, Easter lilies, roses, begonia, geraniums, gerbera, snapdragons, larkspur, phlox, petunias, hollyhocks, and others, violet, amaryllis, ixora, Tabebuia and red Clarendon (bottlebrush) trees, with more than 25 varieties of hybrid helleboricals (day lily) in bloom as focal points of the landscape.

**NEW SHOE MANAGER AT KAHN'S STORE**  
G. D. (Jerry) Fussell native of Lakeland, recently of Ft. Myers is the manager of the shoe department at Kahn's Store on Ave. A.

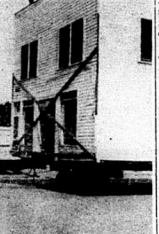

Mr. Fussell has had ten years in the shoe business. He plans to move Mrs. Fussell and three children to Belle Glade from Ft. Myers as soon as an available home is found.

**Rams Lose To Thers And Edged By Pompano**  
By BILL NICHOLSON  
Belle Glade collected three hits in the seventh inning to score two runs and escape a shutout against Seacrest Tuesday afternoon. The final tally was 6-2.

Seacrest scored twice in the second on two singles and a double that added the remaining four runs in the fifth on three singles, a double, walk and an error.

Winning pitcher Dick Mack struck out seven and walked one.

Walter Mosley, Ram hurler, gave up nine hits while walking nine.

Belle Glade now has a 4-8 standing in conference play.

**Belle Glade 600 3-2 5 2 Seacrest 020 4-6 4-9 1**  
Pompano gained its first Suncoast Conference baseball victory of the season here Friday afternoon, downing Belle Glade 6-5.

The Beanyknicks picked up their six runs and two innings, scoring the first three in the fourth on a single, fielders choice and the Ram mistakes, then added three more on a walk and four errors in the next inning.

Bobby Joe Thomas went the distance for the losers, limiting

The Rams have a rainout game to make up against Vero Beach and play Stuart away to-day.

**May Day Program Is Scheduled On May 13**  
"Florida Under Five Flags" will be the theme of the May Day Program set for May 13 at the High School Auditorium.

Each grade will represent different countries through native dances according to Miss Marian Najjar, director of the May Day program.

Highlighting the events will be the crowning of the May Day Queen, Barbara Kirchman and the King, Carl Norris.

The queen's attendants are Mary Ann Tillery, Stevie Kaufman, Martha Brent, and Sandra Dins. The king's attendants are Alvin Schlechter, Junior Cumpton, Johnny Walling, and Gary Norman.

Heritor — Jane Miller and crown bearer Eddie Guzman. Mary Kite Ponder, Barbara Ann La Grot, Joyce Kirchman and Linda Hollingsworth will be flower girls. Train bearers will be Archie Kirchman and Tommy Murray.

**HOSPITAL AUXILIARY MEETING MAY 10**  
The Belle Glade Memorial Hospital Auxiliary will hold their regular meeting in the nurses lounge of the hospital Tuesday, May 10. The group will meet at 2 p.m. for the work meeting which will be followed by a business meeting.

**Oseola News**  
By RUTH GRIGGS  
Television Entertainer  
Sunday evening, May 8, at 7 p.m. Howard Serratt who appears on the Melody Round-Up program from West Palm Beach, TV will be at the Oseola Nursery for a musical program. Mr. Serratt plays a guitar and harmonica and sings favorite religious and entertainment songs.  
Admission will be 25 cents for adults and 10 cents for children under twelve years. We believe you will enjoy this program. We hope many of you can come.

**PTA Picnic, Program**  
Tuesday evening, May 10, Oseola PTA meets for the final meeting of the year. There will be a Community picnic beginning at 6:00 p.m. on the school lawn. All Oseola families are urged to come and bring a covered dish and table service and enjoy the fun and fellowship of the picnic.  
At 8:00 p.m. the regular PTA meeting will be held at which

time the new officers will be installed for the coming year. There will also be a report on the lunch room study which has been carried on this year. After consulting with her the committee will be able to make a report to the PTA meeting Tuesday night.  
Our school and our children are the business of every parent. Let's have more parents out showing an interest Tuesday night.

**Junior Red Cross**  
Janice Cole, Bessie Martin, Margene McSwain, Carol Gorth, Faye Herring, and Mrs. George C. Gorth represented the Belle Glade Junior Red Cross Council in Lake Worth, Tuesday, at the monthly county meeting. Other schools represented were: St. Ann's, Palm Beach, Boynton Beach, Central Junior High, and Lake Worth High. Reports were made from every school present.  
Disaster Training courses were set up for the next three Mondays at four o'clock p.m. in West Palm Beach for all Junior Red Cross members interested.

An installation of officers was held at this meeting also, with Mr. Charles A. Pringle officiating. The summer training camps for this year were announced. There is to be one at Gulf Park College, in Gulf Port, Mississippi, from July 28 through August 6, through the 25. There will be one held at Queenland College, in Kingston, Ontario, where there will be fifty representatives from the United States.

**Cafeteria Menu**  
Monday, May 9—Sloppy Joes, tossed salad, apple cobbler, and milk.  
Tuesday, May 10—Potato Salad, Baked Ham, green beans, fruit, jelly, bread and butter, and milk.  
Wednesday, May 11—Macaroni and cheese, cold cuts, English peas, tossed salad, bread and butter, squeeze cups, and milk.  
Thursday, May 12—Mashed potatoes, hamburger gravy, battered spinach, carrot sticks, short cake bread and butter, and milk.  
Friday, May 13—Tuna fish salad, green beans, lettuce and tomato salad, bread and butter, ice cream, and milk.

**Student Council President**  
After more than a week of publicity, campaign speeches, etc., Belle Glade High School has elected their Student Council President for the coming year.  
There were three candidates nominated from the Freshmen, Sophomore, and Junior classes. One from this year's class was elected. They were Glenn Car-

raway, Janice Cole, and John Thompson. These students were allowed to speak in assembly, pass out name tags, and speak over the Public Address System.  
In the primary election which was held on Tuesday, April 26, Glenn Carraway was eliminated. The finals, held on Tuesday, May 3, put John Thompson in office by the slim margin of eight votes.  
We would like to wish John good luck during his term of office, and hope that he does a good job of Student Council President.  
The trouble with music is that people are taught to have it much respect for music; they should be taught to love it instead. —Ignor Stravinsky.

#### HI SCHOOL NEWS

By FRANCES SLOAN

**Visitor Makes Survey**

Belle Glade High School was pleased to have Mr. Morris Sica from Florida State University, in Tallahassee, here last Friday, April 29th. Mr. Sica is an Education major, and is working on his Doctor's Degree. The dissertation he is writing, is on Citizenship in High School, and he is making a survey of what high school students think about this subject. He is making a tour of various high schools in every area of the state, and is interested mainly in visiting the Junior and Senior, English and Social Studies classes. Explaining to the students what he was interested in, he had them fill out questionnaires concerning their thoughts on citizenship and behavior. Also the questionnaires asked the students to give examples of good and bad citizenship that they had seen at school lately, and why they thought this act was good or bad.

Gail Sasser, 1954-55 Sweetheart of Mr. and Mrs. Herman Sasser, was chosen sweetheart of the Future Farmers of America, in a special meeting of the organization. Every year the boys

**You'll feel like a pilot**  
**without leaving the ground**

**Just wait till you switch the pitch**  
**of Buick's new Dynaflow!**

**H**OW would you like to take the wheel of a high-powered Buick and feel an experience you never felt before in any earthbound vehicle?  
**H**ow would you like to do—just by pressing down the pedal—what a pilot does when he's ready for take-off?  
**A**nd how would you like to drive with the happy thought that you're getting plenty of miles per gallon in normal cruising—and the electrifying action of the world's first airplane-principled transmission when you need it for split-second getaway response?

It's all for you when you say the word and slip into the driver's seat of a new Buick with Variable Pitch Dynaflow.

Not only do you take command of record-high Buick V8 power—and the most envied ride in the industry—and the brown and belt and luxury of a truly solid automobile. You also call the turn on twenty propeller-like blades deep inside a wondrous new Dynaflow that's patterned after the principle of the modern plane's variable pitch propeller.

You hold these blades in their high-economy angle when you press the pedal in the normal way—and you get a lot more miles from a tankful of gas.

You switch the pitch of these blades to take-off position when you press the pedal way down—and you get spectacular action instantly.

Don't take our word alone that this is thrilling beyond all previous experience. Talk to anyone who's tried it. Or, better yet, come try it yourself. That way you can learn firsthand why Buick sales are soaring to all-time best-seller highs. Drop in this week, won't you?

\*Dynaflow Drive is standard on Roadmaster, optional extra cost on other Buicks.

### Farm Storage Facility Loans Made June 30

In order to provide for increased Farm Storage Facilities for farm commodities, the Farm Storage Facility Loan Program was established June 15, 1949. Each year, the program has been extended, and an extension has been made to June 30, 1955. Eligible borrowers are farmers who as tenant, landlord, or land owner operator produce one or more of the following commodities: Corn, Grain Sorghum, Soybean, Rice, Peanut, Hay Seed, or pasture seed. Eligible structures are farm storage facilities of movable type approved by the State Agricultural Stabilization and Conservation Committee. Commodity Credit Corporation, under this program will lend to eligible borrowers up to 80 per cent of the total cost of the building for a period of four years at four per cent annum. Provisions are also made annually to provide loans for purchase of Mobile Drying Equipment up to 75 per cent of cost for period of three years at four per cent annum.

A number of such buildings have been erected in this county during the past few years, but there is a need for additional storage space to provide sufficient storage on the farm. Further information may be obtained from the County Agricultural Center, Military Trail, West Palm Beach and Sanders Building, Belle Glade.

### Women's Marine Corps Welfare Discussed

In response to numerous requests from parents, information concerning the moral and spiritual welfare of service women was released recently by Major W. F. Lane, Officer in Charge of Marine Corps recruiting in Florida.

In discussing this vital matter with parents, the Major pointed out that he could only speak authoritatively about the Marine Corps, although he assumed that similar consideration was given to women in other branches of the service.

The high moral standards of Women Marines stems first of all from the careful screening given applicants applying for enlistment. Among other qualifications, character certainly counts as the determining factor

in accepting or rejecting applicants, the Major said. In all fairness to the thousands of women who are currently serving their Corps and country, we could not break faith by recruiting a woman whose moral background was not in keeping with our high standards. Parents can rest assured that their daughters will be associated with other high-minded American women whose family background and moral training is equally a credit to themselves and their community.

Our Lady Leathernecks are encouraged to seek the advice and counsel of the chaplain of her faith whenever the need arises in any personal matter or problem. She will find that the responsibility of the chaplain isn't confined to her Sunday spiritual needs, but is seven-day-a-week service.

Besides providing religious comfort, chaplains assist in organizing and promoting wholesome recreation that is so important to morale.

Organized athletics play an important role in the off-duty needs of Women Marines. Tennis, swimming, bowling, soft-ball, basketball are just a few of the sports in which women may participate under the helpful coaching of qualified instructors.

It's a "Big Three" project that the Marine Corps has undertaken for its personnel—spirit, body and mind. And it's paying dividends, too. Women Marines are a credit to the service because the service is a credit to your daughter.

For further information about Women Marines, contact your nearest Leatherneck recruiter.

### Members Of Troop 22 Attend Leaders Course

Six boys from Scout Troop 22 attended a Junior Leaders Training Course at Camp Okechobee last weekend. Arriving on Friday evening, the boys had instruction in scoutcraft and patrol organization Saturday morning and returned home Sunday morning. Attending the course were Ben Carter, Alva Wallace, Pat Scheffler, Dewitt Dray, Harold Royals, Harley Hollingsworth and Assistant Scoutmaster Tommy Lanier.

Other news from Troop 22 includes plans being made to attend Summer camp during the week of July 10-16. Although only boys may attend any week of their choice, reservations have been made for that particular week and it is hoped a large number will be able to go in a body.

District Court of Honor will be held at Pahokee May 16 and the most recent member to qualify for advancement at this court is Harley Hollingsworth. He has passed his First Class Scout requirements and was qualified by a Troop Board of Review Monday night. Making up the board were Floyd Rider, Charles Oaki, Tommy Lanier and John Gibson.

Guy Wood, Jr., is a new member of Troop 22, coming in at a Tenderfoot having been a member of the Webelos in the Cub Scouts.

### Glades Prison Farm Supplies Needs Of State Institutions

Canning operations on beans began again more than a week ago at the Glades Prison Farm. Thus far over 100,000 gallons of beans have been processed for the various state institutions this season.

C. M. Green, Prison Supervisor, said the local farm supplied the needs of two state hospitals at Cheshamoth and Arcadia as well as the Florida State Prison at Ralston and 40 road camps. The Florida Farm Colony at Gainesville, and two industrial schools at Marianna and Ocala are dependent on the Glades farm for beans, tomatoes and meat to feed their inmates.

According to Green the prison personnel operate a canning plant, sugar refinery and hope to have a cold storage plant and slaughter house in operation by the first of the year. Beef from state ranches at Clewiston and Arcadia will be slaughtered for consumption at the state institution. At present there are nearly two thousand head of cattle belonging to the prison system at the two ranches. This figure includes 65 pure-bred heifers and three red Angus animals obtained from farms in Virginia.

In addition to the Holstein and Guernsey cattle at Clewiston, chickens and turkeys are kept there to supply the needs of the local firm which runs around 200 dozen eggs per week. The Arcadia ranch also supplies swine products for the various institutions. The ranches are developing their own improved grasses for feeding their stock. All this operation will be continued at the same rate in spite of the fact that the Glades prison farm is the only such institution to ask for a decrease of capital outlay for the next two years. The decrease amounted to \$51,000.

### PTA Installation Marks Final Meet

The South Bay Parent Teacher Association held the final meeting of the year at the school auditorium Monday evening with 20 members in attendance. Mrs. Floyd Wilder presided and Mrs. Frank B. Willis read the minutes and the presidents letter. The sum of \$100 was voted to defray expenses of the games and equipment for the summer recreation program, which will be carried on this year at the Jeffries Memorial Recreation Park.

Also set aside, was \$143 toward the purchase or exchange of the school projector for a new machine. The choice of machine was left to the discretion of Principal Helen Morris.

Attendance prize for the month was awarded to the fifth grade taught by Principal Morris. It was decided to purchase park cloth for new curtains for the stage in the auditorium, the curtains to be made up and fitted by the merchant selling the cloth. \$127 was appropriated for this purchase.

Principal Morris reported that the school would be repaired throughout on the interior floors sanded and varnished, some remodeling of rooms to add to the school facilities and new desks and seats installed in the second and third grade classrooms.

Mrs. Wilder, outgoing president, installed the new officers for the coming year: Mrs. Marguerite Henderson, president; J. C. Bowen, vice-president; Mrs. W. E. Macie, treasurer; Mrs. Royne Davis, secretary. A historian will be appointed by the president. Mrs. Wilder was presented with a past-president's pin by Mrs. Edith Eckman.

Program chairman, Mrs. Macie, then presented two films, one on family life and the other entitled, "Who Will Teach your Child?" Refreshments were served at the close of the program by Mrs. Henderson and Mrs. Davis.

**Ways Of Safe Mail Delivery To Lions**—Postmaster George Farnall explained to the local Lions Club at their regular meeting Wednesday, the practical ways in which patrons of the Belle Glade Office of the Insurance and Savings and Loan Association can be helped for letters and parcels.

AROUND THE CLOCK work was performed by more than 40 technicians and engineers brought in from the maintenance forces of Southern Bell and from Supervisory Districts of Western Electric in order to restore the Glades vital phone service. City Manager Robinson, and Commissioners Close and Carlton (right) are giving the television-like gadget the once over under the tutelage of Manager R. Day. P. S. Callahan, Equipment Engineer of Southern Bell is looking on while D. W. Olson, Western Electric Superintendent of Miami, repairs damaged wires, left.

More than 20 million letters and three quarters of a million parcels end up each year in the dead letter and dead parcel post branches throughout the United States and its possessions, the Postmaster told the Lions.

By remembering to address mail clearly, the parcels correctly, put on a return address and use postal zone numbers for mail addressed to points in large cities, such losses can be avoided, he noted. The bulk of this lost mail would not have gone astray at all if these simple rules had been observed, he said.

Postmaster Farnall also described the historical background of the United States Postal Office Department. Pointing out that even though the United States Postal Service in its early days faced tremendous obstacles and non-existent mail facilities, such as mail riders, mail bandits and practically no operating funds, such patriots as George Washington, Benjamin Franklin, Alexander Hamilton and others nevertheless persisted in giving the nation a good postal service, the postmaster explained.

They know that one way to insure the liberties for which they fought was in the establishment of a rapid means of communication between the States (of the infant Republic," he said.

Hospitalized out of "common-sense," businesslike methods of today. These include the use of all possible means of rapid transportation to insure fast mail delivery, later mail pickup and adjustment of closing hours of the local office to suit the convenience of local patrons as far as possible. He also touched on decentralization of postal activities into regions with districts within each region, pointing out that this office fills in the seventh district with a district manager located in Miami and Regional Headquarters in Atlanta. This insures faster service and faster care for the immediate needs of each office, where it used to take at least two months to receive a reply from Washington.

Postmaster Farnall also noted that this year the Department has renewed its request to Congress to reclassify the postal wages to give employees of the Post Office Department a salary "based on what they do, and not on what their title may be." Barring a presidential veto the bill should shortly be enacted into law, he added.

## What's the best place to save for Cowboys, Indians and Space Cadets?

Of all the reasons for saving money—and there are hundreds—certainly none is bigger or more important than building up a nest-egg to take care of your children's future.

And where's the best place to build up your nest-egg? Right now, 14 million Americans think the best place is an insured Savings and Loan Association!

In fact, Americans are now putting more of their savings account dollars into these Associations than anywhere else. The reasons are simple:

ONE—You get excellent returns. That's because insured Savings and Loan Associations invest most of their funds in sound, steady-paying home mortgages.

TWO—You have complete safety. Your savings are protected by good management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government.

THREE—These Associations are local organizations. They offer friendly, helpful and convenient service.

And here's another point: When you're thinking of buying a home, remember that insured Savings and Loan Associations are the nation's largest single source of home mortgage loans. They make liberal loans. They see to it that you get the money quickly—and at moderate rates.

Why not come in and open savings accounts for yourself and for your children today. And if you need a home mortgage loan, let's talk about that, too!

ed to present a slate of proposed officers for the consideration of the members.

It was voted not to disband for the summer but to carry on regular monthly meetings. The June meeting will be the annual Bar-B-Q and the midsummer meeting is tentatively planned as a beach party.

A letter of appreciation was read thanking the South Bay committee on table decorations for their splendid cooperation at the Bond Retirement Everglades Drainage District Banquet held in the Belle Glade Country Club.

The highlight of the afternoon was a personally conducted tour of the Masonic Paradise Garden by Mr. and Mrs. Masonic, who are enthusiastically extending the ornamental planting, landscaping, tropical fruit trees, vines and plants to include the entire 20-acre tract.

Many lovely and interesting tropical shrubs, palms and plants to be seen. Pea fowl, jungle fowl and silky hens wander at will on the lawns among the tropical vegetation. It is well worth a trip to town this increasingly lovely home tract.

Those attending were Mrs. Mollie Covell, Mrs. H. C. Willis, Mrs. John L. Evans, Mrs. Laura Crow, Mrs. W. M. Jeffries, Mrs. R. W. Edwards, Mrs. E. M. Willis, Mrs. J. C. Barstow, Mrs. J. F. Roberts, Mrs. Marvin Miller, Mrs. C. B. Higginbotham, and the Masonics. Mrs. Floyd Widger joined the group after luncheon.

Alcoholics Anonymous Speaks To Rotarians

Speaking before the weekly meeting of the Belle Glade Rotary last Friday, two members of Alcoholics Anonymous gave Rotarians a brief background of the club and its functions. They both spoke at some length about their personal experiences and how they came to be connected with Alcoholics Anonymous.

Alcoholics Anonymous is a fellowship of individuals, both men and women, who are bound together by one common cause and purpose. That purpose is to remain sober and to help other alcoholics who wish help. The club, which takes no active stand on any cause, either pro

or con, seeks only to help alcoholics who have an honest desire to stay sober.

Members of the club consist of men and women from all walks of life.

In the words of its members: "Alcohol does not pick its victims."

Doctors, lawyers, judges, business men and women, and even members of the clergy may be among its victims. For this reason, the AA is not a religious organization, but a fellowship of every type of individual; however, all have one common goal. To help each other through fellowship and an active program to remain sober and to help those who have an honest desire also to become and remain sober.

The AA does not practice evangelizing in any way, shape or form. They do not seek publicity. They merely go about their business in a quiet manner, performing their service to themselves and to mankind in general.

The speakers concluded their talks with an invitation to all interested persons to attend their meetings held each week at the city library. They stressed that it is not necessary to be an alcoholic to belong to the club and to help others.

Rotarians were overcome with the frankness and enthusiasm of the speakers and thoroughly enjoyed the talk.

PONTIAC DEALERS TO STUDY USED CAR RECONDITIONING

PONTIAC, Mich. — Pontiac dealers and their key personnel across the country are being invited to attend used car reconditioning training programs conducted by Pontiac and

General Motors Corporation. The comprehensive sessions will cover general appearance reconditioning of used cars, H. E. Crawford, Pontiac General Sales Manager, announced.

Beginning April 19, dealer orientation meetings will be held at 28 GM Training Centers to acquaint Pontiac dealers with the scope and value of used car reconditioning. The dealer meetings will be followed by a total of 56 two-day training clinics for dealer personnel. Resident Training Center instructors from GM car divisions and Fisher Body will conduct the clinics.

### Glades Women Attend State SFC Convention

Mrs. Amy Strickland of Belle Glade, Mrs. Genevieve Barden of Canal Point and Mrs. G. J. Barstow of South Bay returned Friday from Gainesville where they attended the State Convention of the Supreme Forest Circle at the Hotel Thomas as delegates from the Glades.

Mrs. Strickland was elected and installed as State Attendee for the coming year. She also was given a citation for having the highest personal insurance production of any worker in the state of Florida.

The chief speaker at the convention was Mrs. Florence H. Jensen, national secretary and Miss Abbie Holden of Jacksonville, state manager. Mrs. Ethel Walker of Gainesville, state president, presided at all sessions.

Following the close of the state convention Miss Barden visited a friend in Jacksonville for three days. Mrs. Barstow was the house guest of Mr. and Mrs. Walter H. Thames, Jr., in Gainesville, and Mrs. Strickland visited relatives at Starke.

Mrs. Carl T. Christensen of Vero Beach, who accompanied them, was formerly a resident of Clewiston. She visited a granddaughter, grandson, in law, and great-grandson in Flamingo Village in Gainesville following the close of the State Convention.

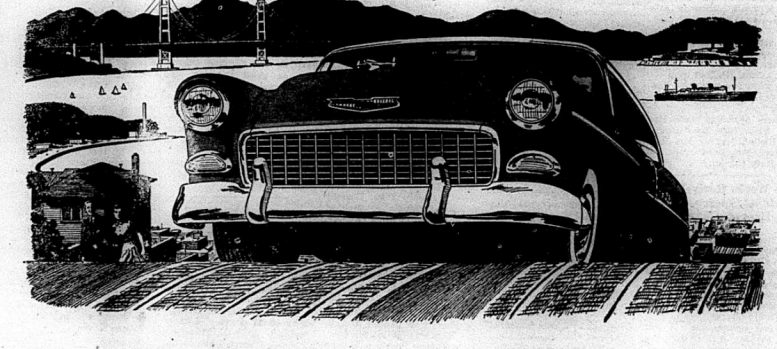

One of the highlights of the convention program was a tour of the points of interest in Gainesville by Mrs. Walker and her committee. They covered the business district, the campus of the University of Florida, the State Farm for Feebleminded, new residential areas as well as older residential districts and public buildings of interest.

**Garden Club Members Tour Paradise Gardens**

The South Bay Garden Club enjoyed an outdoor luncheon following the luncheon. She announced that a plant exchange would be a feature of the May meeting which will be held at the home of Mrs. John L. Evans in Bean City.

The program is planned to be two films on begonias and other flowers.

There will be an election of officers. A nominating committee consisting of Mrs. W. M. Jeffries, Mrs. H. C. Willis and Mrs. G. J. Barstow was appointed.

## Punch-line to the year's hottest power story— Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car times doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR stock car competition at Daytona Beach, Florida, Chevrolet literally ran away for low-priced cars, the first two places—and six of the first ten—went to Chevrolet. And in acceleration runs from a standing start against all

comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact history of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel...longer engine life!) And it develops the highest power per pound of any V8 in the world.

Altogether, it's the most efficient that it requires only the usual five...needs less radiator cool-

ant, too. It's the most modern V8 ever built.

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (180 h.p. under your toe!)

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoristic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—no high-priced car has all—of these great Chevrolet features!

Boldy by Fisher—Nise engine drive choices in any model. 12-volt electrical system—Anti-Dive braking—Outrigger spring—Ball-Race steering—High-Level ventilation—Double-Arch construction.

\*National Association for Truck Car Auto Body.

Combine your new Chevrolet purchase with your vacation plans! Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet built, if you like, and drive your new Chevrolet. Chevrolet is your share in a substantial share of your vacation travel cost!

**DON'T BUY ANY V8 UNTIL YOU'VE TRIED CHEVROLET'S RECORD-SMASHING "TURBO-FIRE V8"!**  
Most Modern in Design — Lowest in Price
